

Risks & Policy Related to Trading CFDs in Cryptocurrencies

Prior to trading CFDs on cryptocurrencies you should be aware of the following:

1. Trading on these products is not covered by any European regulatory framework and falls outside the scope of the Company's regulated activities governed by the Markets in Financial Instruments Directive ('MiFID');
2. Such products are complex and involve high risk, and as such they imply a high risk of losing all of your invested capital;
3. The values of virtual currencies can widely fluctuate (i.e. they are highly volatile), and may result in significant losses over a short period of time;
4. These products are not appropriate for all investors and for this reason you should not trade in such products, unless you have the necessary relevant knowledge and experience and you fully understand the specific characteristics and risks associated with them;
5. Trading in these products does not entitle you to any protection under the Investor Compensation Fund (ICF);
6. You are not entitled to submit any complaints/disputes against the Company to the Financial Ombudsman of the Republic of Cyprus, in case such complaints/disputes relate to your trading in these products;
7. You hereby acknowledge and accept that that you have been informed by the Company of the particular risks associated with these instruments and that you understand these risks, and that you shall take these risks into account when taking any investment decisions in respect of trading CFDs on Cryptocurrencies.

Symbol	Commission	Leverage	Lot Size	Min / Max Trade	Trading Hours
